

```
/*  
 * Programming Quiz: Factorials (4-7)  
 */  
  
// your code goes here  
  
var solution = 1;  
  
for (var count = 1; count <= 12; count++)  
{  
    solution = solution * count;  
}  
  
console.log(solution);
```
